1. Continue to eat of the Tree of Life which you know now exists in Me, the spiritual Garden of Eden. Continue, come and continue and compile that which you know to be Me, that which I give you night after night, day after day, times like this in the wee hours, documenting Me, letting Me teach you, letting Me teach all in your wake.

2. I love you and I give you Me and I give you fruit of the Tree of Life and the Tree of Life comes forth more and more vividly, vibrantly; and operate you will increasingly in the vivaciousness of the energy of truth; truth of Me, leaves of pure gold, fruit changing every month (1) in the healing of the nations, for the nourishment and My elect, My who sought Me, My who seek Me, **My who seek Me again.** I love you and I give you Me; I give you all of Me; I give you Me in fullness.

3. My plates (2) shift again, watch Me.

4. I take you overseas, around the world, jet planes now many. Incorporate My needs for only you as I schedule My broadcast, My connections, My relationships, My connecting towers, My who beam Me radiantly, vibrant, the word of My mouth issuing. Watch Me.

5. Thank you for listening, thank you for repeating, thank you for speaking with clarity clear water, pure truth what I am doing, what I will do, retribution none, judgement sure; mercy enduring, wrath coming, oxymoronic not, part of Me planned, **partitioned not, all one.**

6. And they will know and see what they could have had, what they could have walked in and enjoyed, what they could have been in My Kingdom. They will look up and their eyes will behold and they will live in constant fear knowing the anger of the ages they swallowed, that they ate, eating the tree of not-life, forbidden. Death seeking of not-My-death intended. So much so soon. I love them, I love them deeply. My word is sure and true and pierces to the separation of joint and marrow and yea, so much more. Scalpel of truth know and be not ashamed.

7. Thank you for loving My words and reveling in My revelation and that which I continue to reveal. **My word for your mouth, your heart, your platter, your generation. All is around you and so much, so much more. So many more of ages past available if one comes into Me.**

8. **I reserve not the right of partiality. I choose who chooses Me.**

9. Struck down by lightning none, striking in the power of My love, my love made manifest, the issue of light, the sound of many waters coming forth more and more, filling the earth with My word.

10. All is and ever shall be. Not all is as ever shall be, all is that will be according to My will and no man will stop Me. No force of evil, no principalities or powers; yea, all subject to Me and the word of My mouth, the word of My Mighty Many, the word of My leaders, My children all. I love you.

11. This WeekWorks explodes into new territory. Watch Me. Thank you. Over the cliff, new mountains climbed with Me. Yea, Me soaring you on My wings. Document, describe, delectables enjoy, My designs; My design sessions, My coming forth. Watch Me. Watch Me in the night, watch Me in the day, watch Me in every session, watch Me in every person, watch the word of My mouth come forth more and more.
12. Articulately I speak in the vowels and consonants and syntax of only Me; synapses required and given to Me, firings of My Me-onics, submitted, surrendered ones, drink offerings being to each other. I love you and I give you Me. My tenacity: detain not My truth coming forth in proclamations many. I love you.
13. All is, was, and evermore shall be by the word of My mouth, the will of My heart, and that alone. I love you.
14. I embrace you.
15. I give you as you ask.
16. I give you as you ask for others.
17. I give you more and more as you intercede for My body.
18. Kingship of only Me, in My Kingship, The King of Kings, making Kings of the lowly-thought, the valued-less the valued-none; yea, even those discarded. Watch Me.
19. **Watch Me raise the dead at your hand and the hand of children. Watch Me. So easy.** Not for the feeble, faint of heart, the rigid-understanding ruling; not for them. Not the arrogant stance which stands in My way, but meekness coming through, of meekness being, of meekness flowing, of love healing.
20. No arrogance will stand in My presence. No arrogance will do My miracles, perform My acts; yea, watch Me and discern for great deception is and deceivers increasing. Discern, discern, please discern and act not in the five senses, the visible realm, emotion. Emotion of only Me now. I love you.
21. My schools come forth. More and more words come forth now and flow to My throne, My Father's feet, My Father's heart; yea, His chest and all about Him; His mind; His conception; yea, His birth, His doing, Him doing this, Me/We/all together. Meekness now, today; tainted not; terrifying to the unready.
22. Technically challenged not, all technology Mine, given for Me for My Mine. Thank you. Scientific discoveries revolutionize revenue streams and thought structures. Watch Me. Embrace Me and abdicate not.
23. The evolution of revolution that now comes forth at light speed and beyond, travels and operates beyond the realm of human understanding; the five senses demised, destroyed on My Cross, your cross given up, not held on to, not wailing, not wanting to, forsaking all; the path unto Me, bright and clear as the noonday sun.
24. Thank you for walking with Me unafraid, unafraid of My words, unafraid of My where I take you now, who I place you with and the burdens-not that I place on you, for My yoke is easy, My burden is light.
25. Joy cometh in the morning, joy we revel in, in our moments together which now increase, increase, increase.
26. The mark do not take.
27. Please do not take the mark.

28. Please do not take the mark.

29. The mark, please do not take the mark.

30. **Let Me be Me, let Me be Me, let Me be Me please.** Please let Me be Me and operate in the understanding; yea, the foreknowledge that all was is and, yea, **dependent upon five senses in requirement of man; yea, you not are.**

31. Resist and flee. Watch Me.

32. Create with Me. Be Me. Water into wine.

33. One place now. Another place now. Time transcendent. Watch Me. Deliver Me into the hands that want Me, not for transition or taint or self use, their crucifixion; but for acceptance for knowing Me in My meekness; that there is no weakness; pure water of life, pure truth, pure love, beryl, amethyst, diamond, gold unlimited, infinite resources of only Me flowing to My Mine. Yea, delivery by only Me, by those messengers of Me who are Me, My body. You are My body. How many times have I told you? How many times will I tell you? Infinitely more. Yes, covenant of only Me.

34. Charge, commission, communion covenant, covenant and communion, covenant in Me.

35. See Me in all that comes forth now in every conversation, every, every, every conversation. Watch for Me, see Me in the eyes of the one you speak with, speaking to you with you, you with you two, Me with us three. Yea, crowds, masses, ones and twos; yea, in planes in flight, in route; yea, in tiny matchbox places of only Me. Watch Me.

36. Thank you for yielding to My desires; yea, having lain with Me night after night, placing your head on My breast. I love you.

37. See Me, all resource all yours, all together lovely Me and you, us, one; One-ing My people in the fullness of joy, the revelation of Me; seminars coming forth, unstopping; yea, exponential; of Me.

38. See Me in what I have said. I thank you.

39. Delivery of Me coming forth; the word, the waters parted are; yea, you walking through are on the other side. Now, today, watch Me. Thank you, My Master, fearful one not, fearless one, fearlessly, de-fearing My body, bringing them beauty for ashes, the oil of joy, comforting them, bringing THE Counselor, the Prince of Peace; yea, the Mighty Many making; into those who set the captives free. I love you.

40. Religion not, religion make not, canons none. I love you. My word comes forth from the sweat of My brow not; yea, from My love, through My love, on My love, in My love, for all My loves who love Me, receive Me, My death, My burial and resurrection; and yea, now My life enjoy the fullness of being Me. **My books revealed, My books open, My will known for all who will come in; yea, lay with Me, intimacy with Me and let Me reveal My all; unprotected, pure meekness**. I love you. Pure hearts only. Righteousness required, holiness necessity. Yea, altogether the word of My grace, acts of My grace, the grace of My acts, the word of knowledge coming forth in so many; yea, discoveries of My creators who now discover Me in My books, **My revelation, our times together, intimacy.** Thank you. I love you.

41. Science Fairs (3), yes, many.

42. Scholarships (4), yes, of Me.

43. Yea, seated before, flourishing now, financed by only Me, My blood. **I bought you. I birthed you. Yea, through Me you came. I have given you My all.** Now, your inheritance, your heir-ship proclaim, retain and operate in the fullness of the godhead bodily with Me, meekly. I love you. Amen.

44. More and more I come and shock the lovely, shock the timid, and directly speak of issues many. Watch Me. Watch Me hone, plane, and delineate truth from untruth; nuance by nuance, motive by motive, drawing and dividing My heart not; yea, all together revealing My love, My love for you everyone, every single one: who I am: the fullness of Me in the fullness of you. Amen. Goodnight. Amen.

Footnotes:

1. Rev 22:2 In the midst of the street of it, and on either side of the river, was there the tree of life, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations.
2. In the theory of plate tectonics, (Geology) one of the sections of the earth's lithosphere, constantly moving in relation to the other sections.
3. I have asked God about sponsoring science fairs.
4. I have asked God about awarding scholarships to science fair winners.
